

Capabilities Statement

www.correalogistics.com

CORREA Logistics, a leader in disease prevention supplies; develops and markets innovative medical products and services, to multiple industry sectors. Our mission is to provide preventable disease solutions that will enhance patient outcomes and improve global healthcare. CORREA Logistics' comprehensive array of products allow for extensive coverage of client support, regardless of size. Dealing directly with manufacturers, eliminates the extra layer of engagement and thus reduces cost and improves efficiencies that lead to outstanding customer satisfaction in product delivery and service offerings.
